

SOLID SHAMPOO

ORGANIC SOLID PRICKLY PEAR SHAMPOO

WITH SWEET ALMOND OIL AND PRICKLY PEAR SEED OIL

DRY HAIR

ROSEMARY SCENTED

Organic solid prickly pear shampoo made with natural ingredients of vegetable and organic origin helps maintain the pH balance of your hair, moisturizing and nourishing it from the roots to the tips. The prickly pear pad has a deep cleansing and softening effect on the hair and scalp while added prickly pear vinegar gives a shine, protects against scaling, moisturizes and seals the cuticles. For the treatment of normal to dry hair, added sweet almond oil is an excellent emollient that thoroughly nourishes, moisturizes and restores dry strands, while potent prickly pear seed oil helps to keep hair strong and healthy thanks to its moisturizing, regenerating and antioxidant properties.

The shampoo was developed to fully cleanse and provide care for dry hair, leaving it nourished and hydrated, soft and glossy, and slightly scented with the unmistakable pastoral fragrance of rosemary.
